DANOS • GRAY

Join LABI as we launch a statewide event sweep in the months of September and October, hosting our Regional Rallies for members and friends. After the workday is done, join us to grab a drink and some grub and meet up with other local LABI members, invite prospective members, and learn more about our plans for the rest of 2025 and beyond. In addition, local legislators who supported LABI-endorsed bills will get a shout-out (and a Marucci bat) for scoring well on the LABI Scorecard. The new LABI Regional Rallies are sure to knock it out of the park in every part of Louisiana!
